

## About the building

Branchet Lodge is ideal for larger groups, sleeping up to 56 people. Located adjacent to Wilson Way car park so it's easy to unload all of your kit for your stay.

The building has six eight-bed dorms, two twin en-suite rooms and four single en-suite rooms. The building has two sets of communal toilets and showers, one in each wing. There is also an additional communal accessible washroom.

Beds are provided mattress-only, so make sure you bring a sleeping bag and pillow.

The building has a commercial kitchen with everything you need to cater for a group of 56 people.

There's a large hall for dining or activities, with tables and chairs to seat your group. The hall is equipped with a TV.

There's a foyer space with sofas for leaders to relax in the evening; and two drying rooms too for muddy boots, complete with washing machines for any emergencies.
