

About the village

The Tented Village includes 8 large bell tents and is situated in an enclosed area.

Groups usually have tents with 6 young people in each, and a leader's hut with power and heating for 3 – but it's completely up to you! The village includes 48 mattress pads.

There's a kitchen and dining tent with a fridge. The tent contains
Tables, benches and electricity.

A kitchen equipment box is available to hire, the details of contents are listed on the page below.

What's included?

We know it's all too easy to drop a plate or lose a spoon on camp (we're sure you do too!). For that reason, we don't provide exact numbers of each item you'll find in our kitchens, but this list should give you an idea of what you can expect to have.

We'll always make sure there's enough items to cater for the number of people the Tented Village accommodates.
